

# THE WEIGHMASTER'S REPORT

**Congratulations to Bob Hargraves** for the fish of the month, a 179.4 lb. striped marlin caught aboard the *Radar skippered* by Bob.

There have been a couple of errors in the tournament results that have been printed in the OOPSLINE, so please let me know if you think the results that are printed here are not correct so we can make sure I have the correct information; people have taken both copies of the weight slips, or for some reason Dana Landing did not have a copy, or the angler lost or did not send a copy to me. Bottom line, the fish did not get counted. To prevent this from happening, after you weigh in a fish at Dana Landing, please leave the yellow copy with them. I go by and pick them up every week. FAX or mail me a copy of your weight slip. This way I can be assured that your fish are accounted for.

REPORTING WEIGHED FISH— Please report all catches for Fish of the Month, Marlin caught or released, or candidates for other MBMC award categories to the weighmaster by phone and FAX as soon as possible. Original weigh slips from Dana Market and Fuel Dock can be left with them for later verification. Original weigh slips from other certified scales should be mailed to the Weighmaster. Clearly indicate species, weight, line test, angler name and location caught.
