## **PRESIDENT'S MESSAGE** Shawn Kaus

Happy New Year!!

I hope everyone had a wonderful holiday season and is ready for another year of fun, fishing and friendship in the Mission Bay Marlin Club.

Speaking of fun, we had a great turnout for membership drive/ Bingo night last month. We had a blast playing bingo and socializing with club members. Ken and Lo signed up 85 members and Phil and Sandy Johnson won the first early bird prize a free membership and then donated the money back to the club. The second early bird prize will be also be a one year free membership and will be awarded at the award's dinner on January 28th. The deadline for early bird membership entries is January 15th so sign up today!!

Sheri, my girlfriend, won the raffle prize, an EAL lure. Fishermen really love those EAL's. The next night she had a hookup! I asked her to be my wife. I was lucky as well. She said yes!! I guess those lures do work.

All in all it was a lot of fun and we will be having more of these non-fishing type nights this year. So watch the Oops line for details. By the way, I should say what a great job Paul Himmelberg and Dan Muslin did running the bingo games and the fantastic job our new club bar manager, Rick Dietz did. Kudos!!

Our annual awards dinner is set for Saturday January 28th at 6pm at Marina village. This is free for all members and \$20 for guests. This is Oscar night and there will be quite a few of the coveted Marlin statuettes will be awarded this year. The invitations are being mailed out this week so please R.S.V.P. as soon as possible. Hope to see you there!

Best fishes for the New Year,

Shawn!

## FISH REPORT

Some home guard yellowtail showed up off La Jolla for a few days in December. Larry Risen caught a nice 28.1 lb yellowtail and there were reports of fish in the 40 lb range. The weather has since dispersed the bait and the yellows.

Rockfish have been hard to come by on the banks. Local salt water fishing has been slow, to say the least. The trout fishing at local lakes has been productive for several members. Dan Muslin caught a nice trout recently. Too bad it doesn't qualify for FOM.

Alex Edwards was on a boat coming up from Cabo in early January and came upon a school of 200 lb plus yellowfin tuna under large black dolphin. They hooked and lost four fish. Alex had one at the gaff in thirty minutes, it tore out, he battled it for another hour before it came off. Although dejected, Alex said it was an amazing experience to see these monster tune boiling at the surface.
