PRESIDENT'S MESSAGE by Jerry Lively

The Bay Only tournament finally got the Lively One out of the slip. I just wish the weekend had a little better weather. I was freezing. That may be an Old Guy problem but it seemed real to me. We did fairly good with the spotted bay bass but they were tiny. In fact you had to use a small plastic to catch them. The bait was too big. I was using bait so I spent a lot of time watching the rod tip for some action. The rest of the crew were casting to different areas and were rewarded with some action.

Congratulations to winners. It was a good turn out and to those that persevered on Sunday, you must really love fishing. I think there were around 46 anglers. Great for the first tournament of the year.

Fred Hall fishing shows were in Long Beach and San Diego in March. These shows are a great place to catch up on new equipment and techniques. Also news of any event throughout the year is available.

We are getting started on our new board and are off to a great start. Most of the old business is taken care of and the new business in progress. The new board has some very good take charge people who have done these jobs in the past.

Welcome to all the new members and we, the board, are going to make this year a great one. We cannot influence the fish or the weather but we are trying to enhance your participation and experience. Get involved and come to the seminars, fish the tournaments, get the juniors interested and let's have some fun despite all the downers being thrown at us from all sides.

See you at the seminar on Friday 17th of April, 2009 at the Marina Village Conference Center. Rockfish Tournament the 18th and 19th. The South Western Yacht Club is having its Bottom Fish tournament on the 25th. We would like a couple of boats to join us, as the SWYC always turn out for our Heart Tournament.

You can sign up at 0500 at the SWYC. In fact one person has to be there for the complimentary captains bag of T Shirts and give out items.
