PRESIDENT'S MESSAGE by Jerry Lively

The "Holidays" are upon us. The crew of the Lively One did not catch a big enough Ling Cod to weigh in on the last tournament. Actually the Reds were bigger than the Lings so we kept them. I had some old shrimp left over from the last two "Holidays" and I used them for bait. It worked great. I tried one of the fillets of Rock Cod on my barbecue with some Lemon Pepper sauce and it was great.

Hope to see everyone for the Bill Boyce seminar coming up in December. Get there if you can. He has a different perspective on fish behavior that you cannot see from the cockpit of a sportfisher. It allows you to understand the fish feeding protocols and to see why they might select a single bait from thousands in the bait ball. While a picture is worth a thousand words, a few words on observations along with the photograph is worth ten thousands words. I was never that good at listening but I get a lot of information from visual presentations.

We are still looking for a few people to flesh out our board of directors. I know the last couple of years has been hard and directions ahead confusing but having a single stake in the ground can keep the whole tent from blowing away.

I wish each and every one of you a Merry Christmas and an even Happier New Year. Have a great Hanukah and a safe holidays season. See you at the Seminar and if not the Awards Banquet late in January.

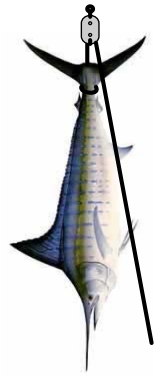

Jerry Lively
