Captain Mike “Beak” Hurt

Often considered the “Godfather” of modern sport fishing in Southern California, Captain Mike “Beak” Hurt was one of the first captains to consistently catch billfish in his native waters off San Diego before the days of depth sounders and GPS. Today, Hurt continues to shape the industry by sharing the knowledge and experience he has gained from 50 years on the water.

Mike's son and past MBMC President Shane Hurt will also be on hand to share his experiences during the past big Southern California Marlin Tournaments while crewing on some of the top Marlin Boats and will be able to answer any questions you might have.
